Lake & Pond Resource LLC

"Providing Professional Resources for Management of Your Lake or Pond"

**Professional Pond Management Products and Services
Aquatic Herbicide and Algaecide Applications
Lake Management Planning and Services
Pond Design and Development**

- 1) Swimming, fishing, wildlife, aesthetic or multi-recreational ponds
- 2) If you have the land, WLPR can provide the water
- 3) Does not require a marsh, wetland, spring, or river to have a beautifully designed pond on your property. We actually prefer high and dry.
- 4) Reduce or eliminate the need for regulatory permits
- 5) Vacation in your own backyard.
- 6) Barbecues
- 7) Campfires
- 8) Fish fries
- 9) Swimming parties
- 10) Beach volleyball
- 11) Utilize synthetic pond liners to create a pond almost anywhere
- 12) Improved water quality
- 13) Increase property values
- 14) Alternative to landscaping projects
